

BYRON TOWNSHIP LITTLE LEAGUE 2016 BASEBALL LOCAL RULES

Updated 4/6/2016

Your job isn't to win. It's to make sure that every kid on the team walks away from the season knowing something they didn't know before. Some kids learn more than others. Some kids learn faster than others. But, if every kid goes away from the season having learned something, then it has been a successful season for all of us.

Coaches Should:

- I. Model Parent Code of Ethics.
- II. Enthusiastically support and practice "Everyone Plays" and "Positive Coaching".
- III. Set a good example and be positive with your praise.
- IV. Develop team respect for the ability of opponents, opposing coaches and for the judgment of umpires. Your example will lead the way. Enlist support from your team's parents in your effort to instill proper attitudes and values in the players.
- V. Make sure your team's ball experience is one of fun and enjoyment – don't over emphasize winning.
- VI. Any Coach or player using profanity or any other excessive unsportsmanlike conduct will be ejected from the game by the umpire in charge. The ejected party must leave the playing and spectator area and will be suspended for the next 2 games that they are eligible to participate in. The second offense will result in a review by the league rules board. Participation is banned until the review takes place and a suspension period is established.

General Rules

- A. Both teams playing the last game are responsible for raking around the bases and pitching mound after each game.
- B. No smoking, drinking, or abusive language will be permitted on the field. Violators will be removed from the field and the game.
- C. Weather related issues:
 1. If a tornado watch or warning is in effect ½ hour or less prior to any game time, that game (for Junior double headers, the match) will be canceled and rescheduled.
 2. Under any other conditions, coaches, players, parents and umpires should presume the games will be played and go to the fields. If the first game is canceled due to weather related conditions, later games may be played at the discretion of the umpire or attending league officials.
 3. Any other weather condition related decisions occurring immediately prior to or during the game will be made by the game umpires and attending board members. Head coaches only may also be involved in the conversation for input.
 4. Once a game begins, if lightning is observed or thunder is heard, the contest must be suspended by the umpires and/or attending board members. The occurrence of lightning or thunder is not subject to interpretation or discussion — ***lightning is lightning; thunder is thunder***. If it is reasonable, the umpires will call time and confer with the umpires on the adjoining fields prior to suspending play. When play is suspended, all players should seek appropriate shelter. Play is to remain suspended until 20 minutes after the last occurrence of thunder or lightening.
 5. In the rare event that an early game cancellation takes place, the decision will be made by the Field Manager and communicated through the League Web Site (www.byrontownshiplittleleague.org). Please DO NOT call the field Manager to ask about the status of games. If you do not see it on the web site, go to the field.
- D. No team games or practices shall be scheduled on Sundays.
- E. Coaches must have their League VP's approval prior to suspending any player from eligibility.
- F. Ages are playing ages, not chronological ages.
- G. A – Majors, Sen, and Big League: In the event a team cannot field a full team, it may add players from the league below, but only those of the highest age group below, to bring the roster to 9 players. These players may not pitch and may not be 'brought up' to play in games that are in conflict with their regular team games. The substitute players may change on a game by game basis.
Juniors: We encourage Junior teams to borrow players from another Junior team not paying that day. Major players who

substitute at the Junior level are not eligible for LL All Star Play. A junior coach must explain this to a Major player's parents and receive informed consent before inviting the Major player to play up with them.

- H. There must be 2 unrelated adults present at ALL team activities (meetings, gatherings, practices, team parties etc.).

Playing Rules

The Little League Baseball Rules ("LLBB rules") shall govern play and equipment specifications.
Any exceptions are stated in the local rules that follow.

1. Protests must be submitted in writing to the league president within 24 hours of completion of the game from which the protest originated. Only rule interpretations can be protested, judgment calls cannot be protested. The head coach must inform the umpire and the opposing head coach of his intent to protest before play resumes after the protested play.

Players & Substitutions

2. For T-Ball through Minors equal play is expected to the extent reasonably possible. See the attached player rotation plan. At all levels equal play is encouraged and all players must play at least 2 consecutive defensive innings prior to the fifth inning and bat at least one time.
3. Any player removed from the field may return to the field at any position. (Free defensive substitution). Exception: Pitchers in Minors and Majors cannot return to the pitching mound and may not move to the position of catcher after pitching more than 41 pitches in that game. For Juniors, see league specific rules below.
4. The batting order "rocket rule" will be followed at all levels. Each coach must submit a batting lineup, consisting of all playing members of the team, to the opposing coach prior to the start of the game. This lineup must contain full name and uniform number. Players added to the roster under Rule G, above must be so indicated. Any player arriving late for the game must be placed at the end of the batting order. Players who leave the playing site early for any reason or leave the game due to injury or illness will not be counted as outs each time their scheduled at bat comes up, but will not be allowed to return if they miss their at bat.
